Construction Consent Form

Private Underground Facilities and/or Hazards

Before Meeker Energy can begin any underground construction (communication cable, fiber or pole installation, removal, repair or relocation), we require the property owner to accurately locate and clearly mark all private facilities and equipment in the proposed construction path. It is your responsibility to mark sprinkler systems, sewer, or water lines, drain tiles, underground electrical wiring, lawn lighting or underground pet fencing, etc. Also, any power lines beyond your meter must be identified.

I agree to locate, mark and clearly identify all private facilities prior to the start of underground construction activities. I understand that failure to locate and mark all facilities could result in damage to those facilities.

I understand that, in the event of damage to facilities that I did not clearly locate and mark, Meeker Energy is not responsible, and I agree to hold Meeker Energy harmless for any damage to any such facilities.

By signing below, you agree to move forward with installing Vibrant Broadband. Failure to activate the account will result in a minimum of $299.00 installation fee.

Homeowner/Property Owner Name (Please Print)	*Date*
911 Property Address	*City*
Homeowner/Property Owner Signature	*Daytime Phone #* / *Cell Phone #*

***Underground construction cannot begin until this form is signed and returned to us.** You can mail it to: Meeker Energy, 1725 U.S. Hwy 12 E. Suite 100, Litchfield, MN 55355, or you can email it to **customerservice@meeker.coop**. You can also drop it off in the payment drop-off box at Meeker Energy.

Check all that apply:
Please include service provider where applicable.
